Putnam Valley Grange

128 Mill Street (at Peekskill Hollow Rd.)

Putnam Valley, NY 10579

(FREE Program - Donations to the Grange Welcome)

Whether you already have a large flock or are just thinking about getting started, this program will seek to answer all of your questions about the basics of raising chickens and turkeys on *almost* any amount of property. Learn how to start chicks successfully, about different coop designs, predators & deterrents, feeds and supplements to keep your poultry healthy, local regulations regarding keeping chickens and turkeys on residential property, and much more. Hear what experienced poultry keepers have to say!

The program will include the use of numerous photographs, diagrams and charts, examples of the equipment and tools used in poultry care - including incubators, and perhaps even a few guest fowl (or even more likely, some fowl guests!)

Come join us on June 10th!
